RE: Countervailing duty order on supercalendered paper from Canada (C-122-854)

1. On 12/10/2015, Commerce published in the Federal Register its countervailing duty order on supercalendered paper from Canada (80 FR 76668).

2. The merchandise covered by this order is supercalendered paper (SC paper). SC paper is uncoated paper that has undergone a calendering process in which the base sheet, made of pulp and filler (typically, but not limited to, clay, talc, or other mineral additive), is processed through a set of supercalenders, a supercalender, or a soft nip calender operation. (See Footnote 1)

The scope of this order covers all SC paper regardless of basis weight, brightness, opacity, smoothness, or grade, and whether in rolls or in sheets. Further, the scope covers all SC paper that meets the scope definition regardless of the type of pulp fiber or filler material used to produce the paper.

Specifically excluded from the scope are imports of paper printed with final content of printed text or graphics.

Subject merchandise primarily enters under Harmonized Tariff Schedule of the United States (HTSUS) subheading 4802.61.3035, but may also enter under subheadings 4802.61.3010, 4802.62.3000, 4802.62.6020, and 4802.69.3000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Footnote 1: Supercalendering and soft nip calendering processing, in conjunction with the mineral filler contained in the base paper, are performed to enhance the surface characteristics of the paper by imparting a smooth and glossy printing surface. Supercalendering and soft nip calendering also increase the density of the base paper.

3. For imports of supercalendered paper from Canada, CBP shall suspend liquidation of entries of subject merchandise entered, or withdrawn from warehouse, for consumption on or after 12/09/2015 (date of publication of the International Trade Commission final determination in the

Federal Register). Effective 12/09/2015, CBP shall require a cash deposit equal to the percentages identified below.
